Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Belvedere Redevelopment Project in Fiscal Year 2026. The entity to receive funding for this project is Louisville-Jefferson County Metro Government located at 601 W. Jefferson St., Louisville, KY 40202.

The request would provide funding to restore the Belvedere, a public space that spans over Interstate 64 in Louisville, Kentucky, and which has not undergone major repairs in more than 50 years. This is a valuable use of taxpayer funds because it would improve structural integrity while making critical safety upgrades to pedestrian and multimodal access points.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

The Honorable Morgan McGarvey
Member of Congress
