

Greetings,

I'm happy to share our grants newsletter for August! This newsletter is intended to keep Louisvillians like you up to date on **federal grant opportunities and other grants-related announcements**.

We've compiled the following collection of grants that may be of interest to your organization. Please read through all eligibility requirements before completing an application.

You may visit [grants.gov](https://www.grants.gov) for a comprehensive list of all federal grants. If you have any questions or concerns about navigating this process, please do not hesitate to reach out to our Louisville office at the contact information below.

In addition to sharing open federal funding opportunities, **my office can also help your grant efforts with a letter of support for any federal grant application**. Congressional letters of support help show grant reviewers that your project has buy-in from regional stakeholders and make your application more competitive. If you would like to request a letter of support from our office, please contact us at mccgarvey.grants@mail.house.gov.

AUGUST 2024 GRANT OPPORTUNITIES:

Agency	Grant Title	Description	Deadline
Department of Housing and Urban Development	ROSS (Resident Opportunity and Self-Sufficiency) Service Coordinator Program	The program is designed to assist residents of Public Housing make progress towards economic and housing self-sufficiency by removing the educational, professional and health barriers they face. HUD provides ROSS-SC grant funding to eligible applicants to hire a Service Coordinator who assesses the needs residents and links them to local training and	September 30, 2024

		supportive services that will enable participants to move along the self-sufficiency continuum.	
Department of Housing and Urban Development	Eviction Protection Grant Program	The Eviction Protection Grant Program will fund nonprofit organizations and government entities to provide no cost legal assistance to low-income tenants at risk or subject to eviction. Additionally, projects will expand the evidence base around eviction prevention and diversion programming, by reporting information about tenants served, legal assistance services provided, outcomes achieved and milestones reached, and collaborative activities.	August 20, 2024
Institute of Museum and Library Services	National Leadership Grants for Libraries	The program supports projects that develop, enhance, or disseminate replicable practices, programs, models, or tools to strengthen library and archival services for the American public. The program supports projects that: Serve the learning needs of the public through libraries and archives; Improve community well-being through libraries and archives; Provide broad access to and preservation of information and collections through libraries and archives; or Provide services to affected communities in the event of an emergency or disaster.	September 20, 2024
Institute of Museum and Library Services	Laura Bush 21st Century Librarian Program	The program supports the training and professional development of library and archives professionals; developing faculty and information leaders; and recruiting, educating, and retaining the next generation of library and archives professionals in order to develop a diverse library and archival workforce and meet the information needs of their communities.	September 20, 2024
National Science Foundation	Robert Noyce Teacher Scholarship Program	The program invites innovative proposals that address the critical need for recruiting, preparing, and retaining highly effective elementary and secondary STEM	August 27, 2024

		classroom teachers in high-need school districts. To achieve this goal, Noyce supports talented science, technology, engineering, and mathematics (STEM) undergraduate majors and professionals to become effective K-12 STEM teachers. It also supports experienced, exemplary K-12 STEM teachers to become teacher leaders who continue as classroom teachers in high-need school districts	
Economic Development Administration	FY 2024 Good Jobs Challenge	Subject to the availability of funds, EDA will support regional workforce training systems in designing and implementing activities for established sectoral partnerships that meet the existing and emerging skills needs of employers and that train and place program participants into good jobs. These systems will help to grow regional economies and their associated workforces and must advance technology-based industries that fortify the economic and national security of the United States.	September 27, 2024
Employment and Training Administration	YouthBuild	DOL will award grants through a competitive process to organizations providing pre-apprenticeship services that support education, occupational skills training, and employment services to opportunity youth, ages 16 to 24, who are performing meaningful work and service to their communities.	September 16, 2024
National Renewable Energy Laboratory	Good Jobs in Clean Energy Prize	The prize is designed to encourage the formation of place-based coalitions focused on creating good jobs in clean energy. These coalitions will collaborate to address a specified workforce development challenge and clean energy employment opportunity for a target population (either place-based, people-based, or a combination of the two) in a defined geographic area (community). [EV Battery Research
and Development](#)

The U.S. Department of Energy (DOE) announced \$43 million in funding for projects that will advance research, development, demonstration, and deployment (RDD&D) in several areas critical to the future of advanced batteries. The funding will drive innovations in low-cost electric vehicle (EV) battery electrode, cell, or pack manufacturing; improve battery safety and reduce cascading failures; and strengthen the domestic supply chain of inexpensive and abundant battery materials.
