Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the construction of the Harbor House Intergenerational Life Center in Louisville, KY. The entity to receive funding for this project is Harbor House of Louisville, Inc. located at 2231 Lower Hunters Trace, Louisville, KY 40216. The funding would be used to complete construction of the Harbor House Intergenerational Life Center. The project is appropriate for taxpayer funds because this community center will serve Louisville's community of individuals with disabilities, a population that needs and deserves a community hub to provide for their safety, education, enrichment, and basic necessities of life.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
