Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Louisville Metro Government Crisis Respite Center" in fiscal year 2027. The entity to receive funding for this project is Louisville/Jefferson County Metro Government located at 527 W. Jefferson St., Louisville, KY 40202.

This project will help fund the development of a 24/7 Crisis Respite Center modeled after the nationally recognized "Living Room" approach, providing a trauma-informed, therapeutic environment for individuals experiencing behavioral health crises. This is a valuable use of taxpayer funds because it will serve as a community-based alternative to emergency departments and incarceration.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
