Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Transit Authority of River City Paratransit Fleet Replacement Phase II" in fiscal year 2027. The entity to receive funding for this project is the Transit Authority of River City located at 1000 W. Broadway, Louisville, KY 40203.

This project will allow TARC to continue to purchase additional cutaway paratransit vehicles. This project is a valuable use of taxpayer funds because it will allow TARC to continue to expand their ADA accessible transportation options for passengers who require paratransit.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
