Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bridge Repairs project in Fiscal Year 2025. The entity to receive funding for this project is Louisville-Jefferson County Metro Government located at 601 W. Jefferson St., Louisville, KY 40202.

The funding would be used for needed repairs to three bridges in Louisville located on Arnoldtown Road, Vim Drive, and Broad Run Road. Each structure has been evaluated and found to be in poor or very poor condition, necessitating immediate attention. The project is an appropriate use of taxpayer funds because it will ensure the safety and continuity of transportation in the region.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(10).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

The Honorable Morgan McGarvey  
Member of Congress
