Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Louisville Metro Government Home for Good" in fiscal year 2027. The entity to receive funding for this project is Louisville-Jefferson County Metro Government located at 601 W. Jefferson St., Louisville, KY 40202.

This funding will support permanent supportive housing (PSH) operations and wraparound services under Home for Good, an initiative of the Louisville Metro Government to end street homelessness in the city. This project's goals are well aligned with the core functions of the Byrne-JAG Program, and it is a valuable use of taxpayer funds because it will reduce homelessness, crime, and justice-system involvement by addressing the root cause of those issues in our city.

This project has a federal nexus because the project supports purposes described in the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
