Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Paratransit Vehicle Replacement project in Fiscal Year 2025. The entity to receive funding for this project is Transit Authority of River City located at 1000 W. Broadway, Louisville, KY 40203.

The funding would be used for replacement of 10 cutaway paratransit vehicles that are well beyond their expected useful life. The project is an appropriate use of taxpayer funds because these vehicles will provide ADA accessible transportation to complement the transit authority's fixed route system.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

The Honorable Morgan McGarvey
Member of Congress
