Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "NuLu Parking Garage" in fiscal year 2027. The entity to receive funding for this project is Louisville-Jefferson County Metro Government located at 527 W. Jefferson St., Louisville, KY 40202.

This project will invest in a new parking facility in Louisville's NuLu neighborhood, supporting existing businesses, enabling new business growth, and enhancing the overall customer and visitor experience. This is a valuable use of taxpayer funds because expanding parking capacity will help sustain NuLu's growth, support job creation, and strengthen the district's role as a destination for dining, retail, and tourism.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
