Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Park DuValle Community Wellness Center" in fiscal year 2027. The entity to receive funding for this project is Park DuValle Community Health Centers located at 3015 Wilson Ave, Louisville, KY 40211.

This project will support renovation of a portion of an existing building to develop a multi-purpose facility that will provide residents of the Park DuValle neighborhood in West Louisville, KY with a resource focused on comprehensive healthcare, offering services that combine medical care, nutritional education, mental health, fitness services, and preventative health programs. This is a valuable use of taxpayer funds because it will improve health access and outcomes in a chronically sick area of Louisville that experiences worse health outcomes and healthcare access than the city as a whole.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
