Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Preston Highway Corridor Sidewalk Fixes" in fiscal year 2027. The entity to receive funding for this project is Louisville/Jefferson County Metro Government located at 527 W. Jefferson St., Louisville, KY 40202.

This funding will support the Preston Corridor Sidewalks project, which will build roughly one mile of sidewalk, including two bridges and a railroad track crossing, along Preston Highway from Fern Valley Road to Lavista Way. This will add to three sidewalk sections currently under design/construction and provide nearly complete sidewalk coverage from Outer Loop to downtown. The project is a valuable use of taxpayer funds because it will improve connectivity, promote safety, and provide access for pedestrians to employers and amenities in the Okolona neighborhood.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
