Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Simmons College Ollie Green Renovation" in fiscal year 2027. The entity to receive funding for this project is Simmons College of Kentucky located at 1018 S 7th St, Louisville, KY 40203.

This project will provide funding for Simmons to renovate the recently acquired Ollie Green Building into a hub for Simmons' graduate business programs, a business center, and a workforce development site serving students and the broader Louisville community. This project is a valuable use of taxpayer funds because it will allow Simmons College of Kentucky to expand the opportunities it provides its business students and students in graduate and professional programs, contributing to economic growth in Louisville.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code § 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
