Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for “Wetherby Park Redevelopment and Expansion” in fiscal year 2027. The entity to receive funding for this project is the City of Middletown, Kentucky located at 11803 Old Shelbyville Rd, Middletown, KY 40243.

This project will convert an underutilized city-owned property into a fully functional, accessible public park that reflects the needs of a growing community. The project includes demolition of an existing residential structure within the park, site preparation, and construction of priority improvements identified in the City’s adopted parks master plan.

This investment is a valuable use of taxpayer funds because it will improve public facilities for families, children, seniors, and individuals with disabilities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code § 5305(a)(2) and (4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
