The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for "Wilson Avenue Corridor Pedestrian Safety Upgrades" in fiscal year 2027. Louisville-Jefferson County Metro Government located at 527 W. Jefferson St., Louisville, KY 40202.

The funding will implement roadway, sidewalk, and pedestrian safety upgrades along Wilson Avenue between Algonquin Parkway and 26th Street in West Louisville. This corridor serves as an important neighborhood connection to several significant community assets including Algonquin Park and the Algonquin Pool, neighborhood schools, churches, and community gathering spaces that are heavily used by families and youth throughout the year. This project is a valuable use of taxpayer funds because it will enhance safety, support recreational access, and strengthen connections between West Louisville residents and important cultural and civic destinations.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
